Lee el siguiente texto acerca de uno de los hobbies más populares en el Reino Unido y compara la información con los hobbies en tu país

Gardening.

One of the most popular hobbies of the British is gardening, and the people take pride in their gardens. The front gardens may be very small, but the patch of grass is very neatly cut, with flowers and bushes here and there. Every gardener has his or her secrets of decorating the gardens. In every place they have their competitions for the best garden, and every house owner will be proud to win the cup. Flower shows and vegetable shows, with prizes for the best exhibits, are very popular. For example, the Chelsea Flower Show is the most important flower show in Britain; it is held in May every year in the grounds of Chelsea Hospital (London) and is attended by the Queen.
