1. Leer sobre “Animales Asombrosos”.

Read about “Amazing Animals”.

Many people around the world have got pets. In the United States, Canada and the United Kingdom, cats are very popular. In the United States, there are about 93 million pet cats.

Cats and other animals are popular pets in other countries, too. But there are lots of different pets around the world. Many people in China have got goldfish as pets.

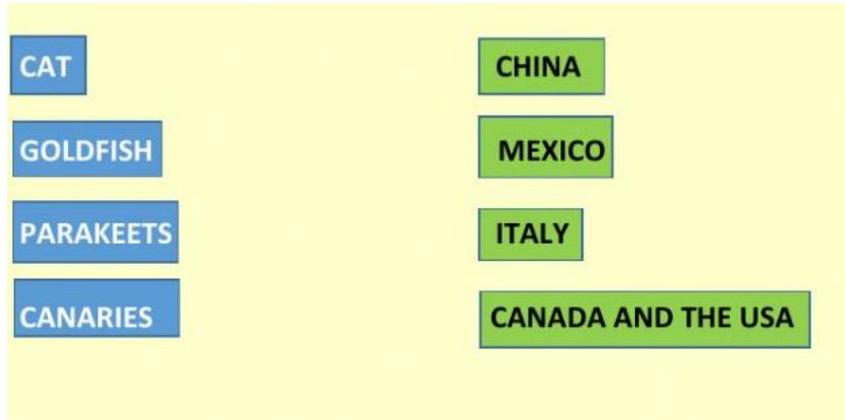

In Mexico, birds such as parakeets are also popular. Parakeets are colourful. They like to play with people and they can talk! In Italy, many people have got canaries. Canaries can sing all day!

There are many different kinds of pets. Rabbits, hamsters and snakes are also very popular around the world. What kind of pet do you like?

2. Unir los animales con el país de origen correspondiente.

Match the animals with their corresponding countries.

3. Contestar las siguientes preguntas sobre el texto.

Answer the following questions about the text.

a- What is a popular pet in The USA?

b- How many cats are there in the USA?

c- Are cats popular in other countries?

d- Are parakeets popular in Canada?

e- Can parakeets talk?

f- What other animals are also popular around the world?

4. Escribir sobre tu animal favorito en el mundo: ¿Cuál es? ¿De dónde es? ¿Puedes describirlo?

Write about your favorite animal in the world. What is it? where is it from? What is it like?
