1. Lectura comprensiva.

Reading comprehension.

Everybody is wearing a mask these days. They're very important to make sure that you stay safe and healthy and if you're sick — aaachoooo! — that you don't spread any germs around.

But sometimes it can be hard to tell how people are feeling when you can't see a lot of their face. Are they sad, happy, angry or are they just making a funny face under their mask?

Why don't you try and guess what kind of face these three kids are making under their masks. Watch out, they might be making a funny face just to trick you.

2. Observa las imágenes. ¿Puedes decir que cara están haciendo los niños?
